

MARQUETTE COUNTY LAND & WATER CONSERVATION DEPARTMENT

438 Industrial Drive ♦ Suite 1 ♦ Westfield, WI 53964 ♦ Phone (608) 296-2815

Dear Boaters & Fishermen,

We are getting excited and geared up for the 2017 Fishing and Boating seasons. We are sending out this letter and form to offer the opportunity to get your 2017 Marquette County Boat Launch Passes early. This pass is good to be used at the Marquette County Boat Landings on Puckaway Lake at the Toepper Lane Boat Landing and on Buffalo Lake at the Hwy C Boat Landing and the Dredge Bank/Dam Boat Landing in Montello.

Also in an agreement with the Township of Packwaukee, our annual Boat Launch Pass can also be used at two other Buffalo Lake Boat Landings. The landings are located at the Freedom Road Boat Landing and the Lakeview Drive Boat Landing.

Please fill out the bottom portion of this form, detach and send with payment back to us. The cost of the Annual Boat Launch Passes will again be \$20.00. Once we receive your application, we will then process your form and mail your boating pass back to you. You may also stop in the office as well to register for your boat launch pass.

If you have any questions, please let us know. Thank you.
